

Mask 1984

The pieces of wood for this mask were scrap pieces of wood taken from a furniture company. The two "eyes" are from children's wood blocks. It is reversible. 30" x 15" 74 cm x 38 cm

Wicker Mask 1977

Mixed Media Mask with wicker, button eyes, birch bark

Two Masks 1995

Mixed Media Masks using raffia hair, wood pieces and bark.

I had a collection of over 90 masks in my home from all over the world: West Coast Africa, Canada, China, Costa Rica, Indonesia, Mexico, Singapore, Thailand and The United States. Masks have always reflected different cultures. Presently, my collection is numbered at 15.
